Good afternoon College of the Desert,

What's new with College Planning Council (CPC)?

Please note that CPC has already met twice this term! If you would like to see the current agendas, minutes and handouts, please visit our "NEW" CPC website by clicking the link below.

If you would like to learn more about CPC and it's role at the college, you can review the CPC Orientation for Fall 2016, which is attached and also available on the CPC website under 2016-2017 handouts. There will be a video training coming out soon.

Thank you!
