Heartsaver® First Aid with CPR teaches students critical skills needed to respond to and manage a first aid, choking or sudden cardiac arrest emergency in the first few minutes until emergency medical services (EMS) arrives. Students learn skills such as how to treat bleeding, sprains, broken bones, shock and other first aid emergencies. This course also teaches adult CPR and AED use.

BLS Basic Life Support training provides healthcare professionals the ability to recognize several life-threatening emergencies, provide CPR, use an AED, & relieve choking in a safe, timely & effective manner.

$85
