Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at 760 773-2521.
