Effective Student/Faculty Contact

Which of the following methods of regular, timely, and effective student/faculty contact will be used in this course?

Within Course Management System:

Timely feedback and return of student work as specified in the syllabus
Discussion forums with substantive instructor participation
Chat room/instant messaging
Regular virtual office hours
Private messages
Online quizzes and examinations
Video or audio feedback
Weekly announcements

External to Course Management System:

Direct e-mail
E-portfolios/blogs/wikis
Posted audio/video (including YouTube, 3cm mediasolutions, etc.)
Teleconferencing
Telephone contact/voicemail

For hybrid courses:

Scheduled Face-to-Face group or individual meetings
Field trips
Orientation, study, and/or review sessions
Supplemental seminar or study sessions

Briefly discuss how the selected strategies above will be used to maintain Regular Effective Contact in the course.

There will be weekly participation assignments reflecting the movement tutorials and the diverse on line resources created for the students. There will be weekly discussion threads connecting the movement of yoga to principles of alignment, form, and benefits of postures.

Other Information

Provide any other relevant information that will help the Curriculum Committee assess the viability of offering this course in an online or hybrid modality.

Allowing this course to have an online section will improve our access to students that currently our balancing jobs and families. There have been many online resources created to meet the needs of our students wanting to learn more about yoga but difficult for them to attend the campus with rigorous outside responsibilities. These online resources are very valuable to promote student learning, enthusiasm and wellness. Students also have the opportunity to practice the sequences and movement tutorials several times if they wish to promote learning and improvements in fitness.
