Short-Term/Open Entry Classes

Regularly scheduled classes meeting less than the full length of the term, or self-paced classes in which students may enroll at various times throughout the semester. Short-term start/end dates can be viewed by clicking on the meeting information link in the section. Look for specific add and drop dates of a course on the College of the Desert homepage - titled Course Deadlines.

Printing your Class Schedule: Your Class Schedule can be viewed in Self-Service in the Student Planning tile. This will include your Academic Program. You may print according to your device - there is no print button. To pay or make payments in Self-Service, click on the Finance tile, then Student Finance for the various options available.

Notice of Disclaimer

Every reasonable effort has been made to determine that everything stated in this schedule of classes is accurate. Because this publication must be prepared well in advance of the period of time it covers, changes in some programs inevitably will occur. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of the Desert Community College District of College of the Desert, and in addition, some courses or programs that are offered may have been canceled because of insufficient enrollment or because of elimination or reduction in programs or because of any other reason considered sufficient by the College Superintendent/President or designee.

Open enrollment policy: Unless specifically exempted by statute, every course, course section, or class which is to be reported for state apportionment, is open for enrollment, and participation by any person who has been admitted to the College and who meets the student success requirements.

College of the Desert

is a two-year California State community college with an enrollment of approximately 10,600 students per semester. More than 150 Associate degrees and certificate programs are offered.

Students may attend classes in Palm Desert, or off-campus at our East Valley sites in Indio or Mecca, at our West Valley locations - Palm Springs, and Desert Hot Springs, or through our distance education over the Internet.

The College first opened classes in 1962 and remains committed to providing high-quality education to students in academic transfer, vocational and occupational, and high school completion programs, as well as basic skills education. All students who are high school graduates, or 18 years of age or older and no longer enrolled in high school, are eligible to attend.

Located in the desert climate of the beautiful Coachella Valley, the Palm Desert Campus and East and West Valley locations offer enjoyable educational experiences in year-round sunshine amidst palm trees and warm breezes.

Please contact us if we may be of assistance in your planning.

Mission Statement

College of the Desert is an inclusive, student-centered community college providing high-quality degree, certificate, and transfer programs that are accessible, affordable, and responsive to the diverse needs of students and our community. By preparing workforce professionals and leaders, the College enhances the local economy, closes persistent equity gaps, and improves the quality of life in the Coachella Valley and surrounding communities.

Vision

College of the Desert will provide a culture of diversity, equity, inclusion, and social justice while continually improving community access to relevant training, certificates, degree programs, services, and transfer opportunities.

Values

We fulfill our Vision and Mission by creating and sustaining a community where all are welcomed and valued.

Recognizing the importance of diversity, we acknowledge the rich and unique contributions each person makes to achieve the Vision and advance the Mission of the College. To this end, the following Values will guide our actions:

Access: To fulfill our Mission and achieve our Vision, we commit to ensuring open access to educational opportunities.

Collegiality: We value the thoughts, words and actions of our students, colleagues, and community members. We encourage open dialogue, respectful dissent, and varying opinions in an inclusive forum. We pursue broad understanding, effective dialogue, and inclusive decision-making.

Diversity, Equity, Inclusion and Accessibility (DEIA):

We embrace the diversity of our community and uphold the dignity and worth of the individual. We strive to create safe, equitable, and accessible environments so individuals can learn, grow, and complete their educational goals.

Empathy: We listen to each other compassionately, with open minds, and without judgment.

Values (cont)

Fiscal Accountability: As good stewards of the public trust, we take thoughtful, intentional, and responsible action in allocating resources to fulfill our Mission and Vision. We anticipate and respond to dynamic fiscal conditions through ongoing evaluation, effective planning, reallocating existing resources with an equity lens, and developing and seeking new funds.

Innovation: We create an environment of empowerment, creativity, courage, and exploration to provide a unique student-learning-centered culture that fosters innovation.

Integrity: We take accountability for our actions and adhere to the highest ethical standards in all our professional and personal responsibilities. We communicate openly, honestly, and with authenticity.

Social Justice: We commit to a fair and equal society in which all people and groups are valued and affirmed. We embrace efforts to end systemic racism. We recognize the legacy of past injustices and promote actions in support of restorative justice and full implementation of human and civil rights. (Based on: John Lewis, Institute for Social Justice.)

Student Success: We commit to student learning, goal completion, personal fulfillment, and lifelong learning.

Enrollment Fee Deadline for Spring 2025

- Students are responsible for their tuition and fees. It is important for students to drop themselves by appropriate deadlines.
- Students registering on or after January 27th, must pay enrollment fees prior to the last day to drop a course. A financial hold will be placed on all student records that have an outstanding balance for the term that will prevent subsequent registration until paid.
- Drops for non-payment will not be processed once courses begin. Drops for non-payment will not be processed once the term begins.
- Students enrolled in courses they do not attend are responsible for enrollment fees and final grades if not dropped by the applicable course deadline. Students that have been awarded financial aid will not be dropped for non-payment.
- Petitions for refunds of courses not dropped by the deadline, will not be accepted if student fails to drop a course by the deadline.

Payment Plan Option

College of the Desert offers an optional payment plan to assist with the payment of enrollment fees. Please note there is a \$20 non-refundable enrollment fee per semester for this service. For more information on the payment plan, please go to collegeofthedesert.edu Self Service, Finance.

Please note: Students are responsible for their class schedules and fee payments. Please check the accuracy of your class schedule by going to collegeofthedesert.edu. Go to MyCOD, then Self-Service.

The following terms are used throughout this Schedule of classes.

SECT/SYNONYM (in Self Service) - SECTION NUMBER: Every class is identified by a 4-digit section number. This number is critical to correctly register in the section you have selected.

COURSE - COURSE CODE: The course code identifies the department and course level.

TITLE - COURSE TITLE: The course title is the descriptive name of the course.

U - UNITS: This is the number of credit units that will be earned by successfully completing the course.

SHORT-TERM CLASSES - Short-term classes are noted throughout the schedule with starting (first meeting;) and ending dates (last meeting;) listed under the class title in bold print. Registration deadline dates for these classes will differ from the published deadlines for full-term classes.

CROSS-LISTED or EQUIVALENT SECTIONS - One or more like courses scheduled at the same time. Enrollments of all cross-listed courses are considered by the registration system, possibly showing "course is filled" when it seems there are available seats.

TBA TIME - If hours are shown as 2.3 HOURS TBA, then 2 hours and 5 minutes weekly are required (usually lab) and are TO BE ARRANGED by the student during the time the appropriate lab facility is open.

Days -	Meeting Days:
M	MONDAY
MW	MONDAY & WEDNESDAY
T	TUESDAY
TR	TUESDAY & THURSDAY
W	WEDNESDAY
R or Th	THURSDAY
F	FRIDAY
S	SATURDAY
SU	SUNDAY
MTWR	MONDAY through THURSDAY
MTWRF	MONDAY through FRIDAY

CLASS MEETINGS - It is important that students attend the first class meeting, whether or not it is designated as a lecture or a lab, of each course in which they are enrolled.

CLASS SECTIONS IN BOLD PRINT - Evening classes beginning at 4:00 p.m. are indicated in bold print.

IGETC courses in this schedule are printed in color, and the IGETC requirement satisfied by each course is listed along with each course prerequisite.

The symbol (▶) in front of a section number (▶2315) denotes an off-campus class.

1. **Full-term** classes meet only once during final exam week, at the scheduled exam time (right). If the exam start time does not appear on this page, the exam should start at the closest time **after** the regular start time of the class in the same room as the regularly scheduled class location.

2. **Short-term** classes meet as regularly scheduled during final exam week. The final exam is held at the last class meeting.

3. **Off-Site day and night** classes meet only once during final exam week, at the scheduled exam time (right). If the exam start time does not appear on this page, the exam should start at the closest time **after** the regular start time of the class.

4. **West Valley Off-Site** classes meet only once during final exam week, at the first regularly scheduled class starting time, for a two-hour exam.

5. **Saturday classes** meet as regularly scheduled during final exam week. The final exam is given during the last class meeting on May 17.

6. **Nursing/Health Sciences** exams are scheduled by the Health Sciences.

7. All students are expected to complete a final examination for all their registered courses as assigned by their instructor. All examinations will, so far as practicable, be conducted in writing and a maximum time will be assigned before each examination. Students are required to take the final examination at the appointed time and place. Students who are in need of special accommodations should arrange this with their instructor well in advance of taking the final exam.

Students who miss a final exam due to unforeseen circumstances, such as a sudden illness, should provide documented evidence to the instructor if the student is seeking a make-up exam. Any challenge or exception to this policy must be approved by the Vice President, Student Services or the Vice President's designated representative.

Student Registration Has Changed

College of the Desert has transitioned from WebAdvisor to Self-Service for online student access. **Beginning Summer 2023**, students began to use Self-Service to add/drop courses, add themselves to waitlists, and utilize the add authorization process to enroll in closed courses. Important information on Self-Service has been placed in the student portal.

Students will still register according to their registration priority in the student planning area of Self-Service. An instructional How to Register video can be found on the student portal.

WebAdvisor will no longer be available and will be shut down on December 17, 2023.

The add code process has been replaced with Add Authorization via Self-Service to add a course during the *Add Authorization period*. Add Codes are not used.

Faculty, staff, and students may verify if a course requires approval to add a course (authorization to add) by using the tool below which is found in the Student Portal, Faculty Resource Webpage, and in the Catalogs & Schedules webpage.

In Self-Service, once the student receives instructor approval to add a course the authorized section will have a blue “Authorized for Add” flag on their schedule. When a student receives instructor approval via Self-Service to add a course, the student will need to click the Register button to finish registering. Registration will process assuming all prerequisites and holds have been cleared.

Also, students should make sure to drop a course they have decided not to attend. Faculty are no longer required to drop during the semester. Not dropping a course will result in an FW grade.

**The Winter Intercession dates for asynchronous (online) sections are as follows:
Thursday, January 2 to Thursday, January 23, 2025**

Please check the College of the Desert Website for changes.

January 1	Authorization to Add is required for all courses at 5:00 p.m.
January 2	Winter Intercession classes begin.
January 4	Last day to add a Winter Intercession class.
January 4	Last day to drop classes and qualify for refunds. Students enrolled beyond this date are financially responsible for their fees.
January 6	Last day to drop Winter Intercession class <u>without</u> a grade of "W".
January 16	Last day to drop Winter Intercession class <u>with</u> a grade of "W".
January 20	HOLIDAY - Martin L. King Jr. Day observed - CAMPUS CLOSED, no classes.
January 23	Final Exams/Last day of Winter Intercession.

Interession Start and End Dates

All Interession classes begin Thursday, January 2 and end Thursday, January 23 unless otherwise noted. Students will complete 1/15 of the course each day, making attendance at all meetings essential for success.

Classes during the Winter Interession will be offered face to face, online, either fully online, asynchronously, or with meetings via Canvas ZOOM, synchronously. Synchronous meetings occur at the same time and day as designated in this class schedule.

Be sure to check the start and end date, and drop deadlines that apply to each class you select.

16 INTERSESSION

Interested in a Distance Education Intercession Class?

Look for details by going to the Student Services/Online Classes page at: collegeofthedesert.edu/

All online students must:

1. Complete the standard admission and registration process.
2. Access the online class (or classes) at collegeofthedesert.edu/ on or before January 2, 2025 to begin the course.
3. Have their own computers and INTERNET access. The college does **not** provide computers or INTERNET access for students in online classes.

Online courses generally follow the traditional term, but the course-work is completed asynchronously via Canvas.

In person and synchronous online Evening Classes appear in BOLD print throughout this schedule.

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at (760) 773-2521.

PL EDGE

The pLEDGE program provides 2024 high school graduates (or equivalent) from the Coachella Valley with free tuition and fees at College of the Desert!

Participating students must complete the EDGE program over Winter Intersession. Students interested in taking EDGE courses will enroll in MATH-300 or SOC-300, COUN-300, and ENGLISH-300 via their self-service student portal.

pLEDGE students must also have a completed Financial Aid file, commit to full time enrollment while maintaining good academic standing, participate in career preparation workshops, and complete community service.

For more information, please contact the pLEDGE office at (760) 636-7970 or edge@collegeofthedesert.edu

18 INTERSESSION

Tutoring and Academic Skills Center (TASC)

The Tutoring and Academic Skills Center is here to help you succeed in your classes this winter! TASC provides academic support, independent study spaces, and tutoring for all COD students.

Free drop-in tutoring is available, with no appointment or registration needed. To learn more about TASC tutoring options, including subjects and schedules, please visit the TASC Canvas course or our website at www.collegeofthedesert.edu/asc.

Monday-Thursday
8:00 a.m.-6:00 p.m.
Friday
8:00 a.m.-12:00 p.m.

For questions about TASC resources, hours, and locations, please call (760) 776-7241.

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

Work Experience Office Hours: Monday-Friday 8:00 a.m. - 1:00 p.m.

What Is Work Experience?

College of the Desert's Work Experience Education is a unique academic program where students apply what they have learned in the classroom to a real work environment - all while earning college credit!

By enrolling in a Work Experience course, students will participate in experiential learning activities that will enhance their skill set and strengthen effective work habits. Additionally, students have the opportunity to be coached and mentored by a faculty advisor as a subject matter expert in the student's field of study.

All students who currently work, volunteer, intern, or that have a student worker or federal work study position are eligible to enroll. Credits earned are transferrable to the CSU system. Students may enroll in General Work Experience or an Occupational course based on the student's educational goal and current job-related duties.

General Work Experience (WEG – 095A)

WEG – 095A is for students who currently have a position that **does not** relate to the student's occupational/educational goal. **1 - 5** credits of General Work Experience per semester can be earned per semester providing that the hour requirement is met, (see chart on next page).

Occupational Work Experience (XXX – 095A)

Occupational courses, such as: AUTO-095A, KINE-095A, BUHM-095A, etc. are for students majoring in the respective field and have a current position that directly aligns with the major/educational goal. If their current position **does** relate to their educational/occupational goal, **1 - 5** credits in any occupational work experience course can be earned per semester, providing that the hour requirement is met, see chart on next page. Check out the full list of [participating Work Experience programs](#).

Requirements

To enroll in a Work Experience course, students must:

- Have a declared major or career goal
- Have a job, internship, student worker, or volunteer position secured before enrolling
- Commit to the job/internship/volunteer position for the duration of the enrollment term (for example: 16-weeks, 12-weeks, or 8-weeks during summer)
- If you are not a current College of the Desert student, complete your [Application for Admission](#).

Earning College Credit

The number of credits students may earn is based on how many hours the student will work per semester. Use the table on the next page to determine up to how many credits can be earned based work hours. Note that some academic programs, such as Automotive Technology only require 2 credits of Work Experience, others more. See list of [participating Work Experience programs](#) to view number of credits required.

Once enrolled via Self Service, students must complete three learning objectives, required course assignments and forms. All course content can be found via Canvas 24/7. Work Experience courses meet a total of four times (Zoom meetings are acceptable).

If student is actively seeking an internship/job, take into consideration school schedule and time-management skills, along with the agency needs, to determine hour commitment towards the internship/job throughout the semester.

Use the chart below to help you pre-determine up to how many units you may qualify to earn based on the number of hours you will complete. When registering via Self Service, you must choose from the drop-down menu to select the number of units you qualify for. There are no exceptions to the minimum hour requirements for paid or unpaid positions.

(54 hours per unit required)

Units	Total required hours	16 week average weekly hours	12 week average weekly hours	8 week average weekly hours
1	54	4	5	7
2	108	7	9	14
3	162	11	14	21
4	216	14	18	27
5	270	17	23	34

Available Sessions:

- 16 Week Session (full semester) January 27 - May 23, 2025
- 12 Week Session (late starting) February 24 - May 23, 2025
- 8 Week Session (late starting) March 24 - May 23, 2025

What to Expect Out of a Work Experience Class:

- Work Experience classes are non-traditional - the majority of the work is completed at the student's job site!
- Students meet a total of four (4) times during the course; two on campus with their Work Experience Instructor, and two at the student's job site with their Work Experience Instructor and supervisor. (Zoom meetings are acceptable).
- During the course, students will develop and work on three (3) S.M.A.R.T. goals/objectives and have the opportunity to apply and enhance the following 21st-century Employability Skills:
 1. Adaptability
 2. Self-Awareness
 3. Digital Fluency
 4. Communication
 5. Collaboration
 6. Empathy
 7. Analysis/Solution Mindset
 8. Resilience
 9. Entrepreneurial Mindset
 10. Social/Diversity Awareness
- Students will participate in a Final Job Site Evaluation where they will receive constructive feedback from their supervisor related to the completion of the three SMART goals and their application of the 10 Employability Skills listed above.
- All course content is available via Canvas 24/7. Students are expected to log-in on the first day of class.

Accounting

The Bureau of Labor Statistics projects that 166,700 new accounting and auditing jobs will open up by 2022. This means the demand for well-educated accounting professionals will increase over 13 percent between now and then. Organizations large to small, domestic or global require financial guidance from professionals with accounting knowledge who can prepare, analyze, verify, and communicate financial information.

Most students don't realize the variety of accounting jobs the profession has to offer.

Whereas, Forensic Accountants merge accounting with investigative legal work, Public Accountants are tasked with accounting, auditing, taxes, and consulting. Management Accountants work with decision makers within a company, and Non-Profit/Government Accountants are employed by various public agencies.

At College of the Desert students interested in pursuing a career in accounting can earn either a Certificate of Achievement in Accounting, an A.S. degree in accounting for employment preparation, or both, providing students with the skills necessary for employment or advancement in the accounting profession.

Additionally, students can earn a Bachelor's Degree without ever leaving the desert! Just complete the transfer AA Business Degree at COD and then finish the upper division accounting program at the Palm Desert campus of CSUSB.

Certificate Programs

Several certificate programs, as well as degree programs, are offered by the School of Applied Sciences and Business. Students are encouraged to meet with a member of the School's faculty to discuss certificate and/or degree programs prior to registration. It is also helpful for students to review available programs listed in the current College of the Desert Catalog.

Entomology AGPS-002

Choose Entomology to fulfill your IGETC General Education Life Science (with lab) requirement.

Learn about the fascinating world of insects and make a teaching collection of your own! Great for teachers, naturalists, docents, and students interested in natural history - and counts toward the Desert Naturalist Certificate and fulfills IGETC requirements for both UC and CSU. Offered in Spring semester only. Instructor K. Leuschner.

AIR CONDITIONING
HVAC

The Air Conditioning/HVAC program is a well established curriculum and has long served the desert community by providing highly trained individuals to work in various businesses throughout the Coachella Valley. The program offers a Certificate and Associate of Science degree for employment preparation that is designed to provide a wide range of courses in order to best serve student needs. In addition, required courses listed in this schedule are derived from the collaboration and dedicated efforts of members of a Technical Advisory Committee and other individuals' experiences in the specific occupational areas.

In person and synchronous online Evening Classes appear in BOLD print throughout this schedule.

Anthropology

Are you interested in biology AND humans?

Check out ANTH-001!

Have you ever wondered why we humans are the way we are? Want to learn more about human origins and evolution? Learn about your fellow primates including monkeys and apes. Curious about how humans walk on two feet and about human nutrition?

Do you want to fulfill your science GE requirement, not requiring a lab? Take a look at this interesting class.

Anthropology of Religion, Magic, Witchcraft, and Healing

Check out ANTH-007!

This course is an exciting and fascinating introduction to the anthropological study of religion, and examines the way religion is lived and practiced in diverse cultures, and the role of religious beliefs in human experiences of health and healing.

Why are people religious? What roles do religion and religious beliefs play in health and wellness?

AIS - ARCH 33

Applied Construction Technology

Students completing the certificate or degree requirements for the Applied Construction Technology curriculum will gain proficiency in basic residential construction techniques in conformance with the most current building codes.

Competencies are assessed regularly by student performance in both the classroom and hands-on in the construction technology laboratory.

Architecture Environmental Design Programs

Architecture/Environmental Design programs have a common objective - to help prepare students to understand issues related to the betterment of the human physical environment. This format is accomplished by interrelated courses in Architecture, Building Inspection Technology, Construction Management, Landscape Design, and Drafting/CAD. These courses and programs endeavor to give students a technical background, a set of social values, and a range of occupational skills, which result in creative expression.

34 ARCH - ART

**Fiber Art
ART-008**

This course will take you into the exciting world of fiber art, where you'll explore popular techniques like loom weaving, embroidery, and needle-felting. After getting hands-on with these methods, you will create personal projects that showcase your skills and unique perspective.

ARTH - AST 37

Planet Jupiter along with the four Galilean Moons.
Credit: COD 1-meter telescope.

Should I take an Astronomy class? And if so, which one?

Have you ever wondered why and how the planets orbit around the sun? Have you thought about black holes and time travel? If so, then Descriptive Astronomy, A-001 or A-002 will give you an opportunity to learn the answers to all these questions, plus learn how COD's state of the art, remotely operated 1-meter telescope at the Mary Reagan Observatory works.

Both A-001 and A-002 fulfill the natural science elective and will transfer to the UCs and Cal States. The only difference is A-002 is a (4) unit class that includes a laboratory component, while A-001 is a (3) unit lecture only class. Also, if you need a natural science elective with a lab, A-002 fills that requirement.

In addition to a natural science elective, these courses are also worthwhile for science majors who plan to pursue a career in Physics, Astronomy, Astrophysics or Space Science.

38 AST - AUTO

Introduction to Auto Technology AUTO-010

For those interested in pursuing a certificate or degree in Automotive or Advanced Transportation: this is the first course you need. (CSU transferable as elective).

Automotive Electronics and Electrical Systems AUTO-011B

This course focuses on the foundational automotive electrical components and systems including: batteries, starting systems and charging systems with an emphasis on troubleshooting, diagnosis and repair of common electrical system malfunctions.

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

40 AUTO - BIO

BI 007: Biology of Mammals and BI 007L: Biology of Mammals, Lab

The characteristics of mammals is briefly covered in Biology (BI 004) and Biology of Organisms (BI 006). Biology of Mammals (BI 007) covers all the major orders of mammals in depth, as well as their anatomy and physiology, ecology, evolution, distribution, domestication, and conservation.

The lecture and lab are designed to fulfill the natural science elective (same as BI 004) and have been accepted for transfer to the UCs and Cal States. This is the only biology course offered in the science department in which the lecture and lab are two separate courses, so that if students need only one or the other, they can be accommodated.

In addition to a natural science elective, these courses can also be taken by science majors who have fulfilled their biology requirements (BI 005 and BI 006) and want to take more biology while waiting to fulfill the rest of their science requirements (chemistry, math, physics, etc.).

Biology Facts

- BI-005 & BI-006 are articulated with UC Riverside as UCR's BIOL 5A, 5B and 5C, if both BI-005 and BI-006 are taken at COD.
- BI-005 is not a prerequisite to BI-006; you may take them in any order.

Why major in Business Administration?

An Associate's degree in business administration prepares graduates to begin or advance their careers in the business world. It can also be a major step towards completing a bachelor's degree. Careers in Business Administration cover a wide range of interests including general management, hospitality management, accounting, marketing, office administration, retail sales, and entrepreneurship.

Why choose the Retail Management Certificate?

The Retail Management Certificate can be completed in as little as one year and will provide you with the valuable skills needed to start or advance your career in the exciting retail industry. Whether you are new to retail or already work in retail, the Retail Management Certificate can be the difference that gets you the position or promotion you are seeking. Plus, the program is designed to meet the needs of the retail industry and is endorsed by leading retailers across the nation, including partner companies of the Western Association of Food Chains and the Food Marketing Institute.

Why choose the Human Resource Generalist Certificate?

This certificate will provide you with a thorough grounding of up-to-date human resource practices at the technical, operational, and strategic management levels. Whether you have HR experience or just want to build your career, our Human Resource Generalist Certificate is designed to prepare you for success.

Canvas

College of the Desert's online program utilizes the Canvas learning management system software. Online classes are offered over the Internet in a variety of discipline areas, as indicated under the specific course listings in the Schedule of Classes provided each semester. Online courses are as transferable as regularly scheduled classes, have the same prerequisites as traditional face-to-face courses, and uphold identical standards of academic quality.

Online courses generally follow the traditional sixteen week semester, but the coursework is completed asynchronously via email, electronic bulletin boards, and chatrooms. Individual classes may have additional prerequisites as specified in their online syllabi.

What is HyFlex?

HyFlex courses allow you to adapt your education to your lifestyle by using Canvas as a hub for all content and offering at least two ways to participate in class activities on any given day:

- In person on campus
- Live streaming in-class activities at the same days and times via Zoom
- Watching Zoom recordings at your convenience.

Concentrate on one or two classes at a time.

1st Semester
FAST TRACK

Take four 4 week classes in Hyflex mode in Indio.

or

FAST TRACK on Saturdays in hybrid mode in Indio offered in a bilingual format.

2nd Semester
FAST TRACK

Take three classes at the Palm Desert campus.

Child Development
Center is open in Indio!

The Child Development Center is opened! It is across the street from the current Indio location at 45742 Oasis Street. CDE classes will be held in room 132 at that address.

Early Childhood Education Child Development & Education

Students should be advised that both CDE-101 (formerly ECE-010) and CDE-102 (formerly ECE-012) are required courses that must be completed prior to working with children in a program licensed by the State of California.

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

In person and synchronous online Evening Classes appear in BOLD print throughout this schedule.

Intercultural Communication COMM 017

COMM 017 focuses on the communication behaviors and values common to all cultures, and on the differences that insulate and divide people of one culture from others. This course leads to a better understanding of traditions, increased appreciation of behavioral variations, and an awareness of more effective methods of communication. Offered in person and fully online.

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at (760) 773-2521.

Tutoring and Academic Skills Center (TASC)

The Tutoring and Academic Skills Center Center is here to help you succeed in your classes this spring! TASC provides academic support, independent study spaces, tutoring, and academic skills workshops for all actively enrolled COD students.

Looking for a tutor? Free, drop-in peer tutoring is available, with no appointment needed! Supported subjects include biology, chemistry, math, nursing, physics, statistics, writing, and many more. Visit our Language Lab to find resources for American Sign Language (ASL), English as a Second Language (ESL/ESLN), Spanish, and Japanese.

College of the Desert students also have FREE access to online tutoring services with NetTutor. NetTutor offers online and after-hours access to tutor support in a wide range of subjects. Students can live chat with a tutor, submit subject questions, or drop off a paper for review.

To learn more about TASC tutoring options, including subjects, schedules, hours and locations, please visit the TASC Canvas course or our website:

COD Is A Smoke Free Campus

College of the Desert and all of its campuses are now smoke and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thoughtfulness, consideration and cooperation as we work together to successfully implement this new policy.

Distance Education

Fully Online Course(FULLONLN)

A Fully Online Course is delivered exclusively over the internet using Canvas. There are no class meetings on campus and all assignments and examinations are submitted online in an asynchronous manner. You must have ready access to a computer with Internet. Students enrolled in an online course should possess apt computer skills.

Proctored Online Course(PROCONLN)

All assignments and examinations in a Proctored Online Course will be submitted online in an asynchronous manner, but you will be required to take tests at a proctoring facility. Your instructor will provide proctoring accommodations at COD. Off-site proctoring services could be available at the discretion of the instructor. Contact the individual instructor to learn more about their off-site proctoring policy. You must have ready access to a computer with Internet. Students enrolled in an online course should possess apt computer skills.

Hybrid Course(HYBRID)

Hybrid Courses meet both on campus and online. A portion of the traditional face-to-face on campus meetings are replaced with online activities. The schedule of classes will indicate the times and dates of the meetings you are required to attend. Access to a computer with Internet access is required.

Web Enhanced Course

Web Enhanced Courses are traditional face-to-face classes that make routine use of the Canvas system. These courses hold all their meetings on campus. The instructor will post required course materials and/or activities online and may require assignments be turned in online. Access to a computer with Internet access is required.

DISABLED STUDENTS ' PROGRAMS & SERVICES (DSPS) 760 773-2534

DSPS at College of the Desert is committed to providing students with documented disabilities equal access to a community college education. Through the utilization of specialized instructional programs and disability related support services, DSPS encourages and fosters independence and assists students in attaining their educational and vocational goals.

DSPS course offerings will vary each semester. DSPS instructional support trainings and lab assistance are offered both virtually and in person through the High Tech Center. The High Tech Center provides students access to adaptive hardware and software to support their academic needs.

WorkAbility III is a jointly funded program between the State Department of Rehabilitation and California Community Colleges to assist students/clients with disabilities in job placement.

Adapted Kinesiology classes are offered during some terms for students with disabilities. Adapted courses can include: Tennis, Badminton, Golf, Yoga, Physical Activity (weight training and fitness), and Fitness Aquatics.

Emergency Medical Technician

An Emergency Medical Technician (EMT) is an emergency responder trained to provide emergency medical care to the critically ill and injured. Depending on where they work, EMTs may be solely responsible for the treatment and transportation of their patients.

EMT 084 provides students with the medical knowledge and skills to become an EMT. Competencies are assessed regularly by student performance in the classroom, in the hands on skills lab and during the clinical and field internship.

Students successfully completing the course will be eligible to take the National Registry Emergency Medical Technician exam and become a nationally certified EMT.

This course meets the EMT prerequisite for the Basic Firefighter Academy.

In person and synchronous online Evening Classes appear in BOLD print throughout this schedule.

Watch for the new Common Course Numbering in Fall 2025

California Community Colleges, including College of the Desert, are adopting a system that assigns the same course number to comparable courses across all California Community Colleges to streamline transfer for students.

Starting Fall 2025, several Common Course Numbering (CCN) courses will be offered for general education. These courses will have a new course code, number and subject:

- COMM 001 will become **COMM C1000**
- ENG 001A will become **ENGL C1000**
- ENG 001X will become **ENGL C1000E**
- ENG 003 will become **ENGL C1001**
- PS 001 will become **POLS C1000**
- PSY 001 will become **PSYC 1000**

Internationalize Your COD Experience!

College of the Desert students have the opportunity to earn transferrable units while living and learning overseas.

Opportunities include fall and spring semester-length programs and short winter and summer term options. A variety of subjects and destinations are possible, including countries like Japan, Spain, and the United Kingdom.

COD's International Education Program also offers students opportunities to become leaders and mentors for the college's international students. It's a great way to make new friends, develop leadership skills, and learn about other cultures.

For more information, contact the International Education Program at iep@collegeofthedesert.edu

English As A Second Language Credit (ESL)

The English as a Second Language Credit Program maintains the same high standards and content level as the English curriculum in the School of Communication and Humanities. All of the ESL instructors are specially trained to teach English as a Second Language. Students are advised to take the assessment test for proper advising and placement.

Students new to the ESL Credit Program should not attempt to select or register in courses without the assistance of a program faculty or counselor.

What is HyFlex?

HyFlex courses allow you to adapt your education to your lifestyle by using Canvas as a hub for all content and offering at least two ways to participate in class activities on any given day:

- In person on campus
- Live streaming in-class activities at the same days and times via Zoom
- Watching Zoom recordings at your convenience.

English As A Second Language Credit (ESL)

Communicate with confidence and sophistication when writing or speaking. The credit ESL program offers classes in pronunciation, reading, writing, and grammar.

- **ESL 53** enables non native speakers of English to gain confidence and pronunciation accuracy in speaking. Students will practice and develop their overall English listening and speaking proficiency and focus on specific areas of pronunciation difficulty in leading group discussions and giving speeches in college and the workplace.
- **ESL 70/70A** teaches non native English speaking students academic reading and writing skills in preparation for transfer and associate-degree classes by focusing on basic essay structure, beginning research skills, and critical reading strategies with integrated practice and reinforcement in writing and reading.
- **ESL 71/71A** teaches non native English speaking students writing and reading academic texts in preparation for transfer and associate-degree classes.

**English As A
Second Language
Non-Credit (ESLN)**

The English as a Second Language Non Credit Program offers six levels of instruction from literacy (little or no English skills) to High Advanced (pre-college English skills). Students have from 8 to 12 hours of instructional class time per week with additional hours in the Language Laboratory.

A student's level in the ESLN program is determined by both an ESL placement test and an assessment of previous academic background. Registration is on an open entry, space available basis. Please call 776-7348 for more information.

College of the Desert ofrece seis niveles de cursos de inglés como segundo idioma sin crédito. Su conocimiento de inglés en el examen de colocación y su nivel de estudios determinarán el nivel en que se le coloque.

Después de completar el programa de inglés como segundo idioma, usted tendrá la habilidad necesaria para seguir varias carreras o para seguir sus estudios. Para más información, llamar al 776-7348.

****Students holding F-1 or Visitor Visas are encouraged to contact the International Education office at (760) 776-7205.**

Ethnic Studies

Ethnic Studies is the interdisciplinary study of race and racism utilizing intersectional, comparative, relational, and transnational approaches that focus on the histories, experiences, cultures, and struggles of historically minoritized ethnographic groups in the United States.

The field focuses primarily on Indigenous/Native American studies, Black/African American studies, Latinx/Chicanx studies, and Asian American/Pacific Islander studies, while also engaging in analysis of other racialized ethnic groups in the U.S.

Ethnic Studies also investigates how race and ethnicity intersect with class, gender, ability, and sexuality in order to help students develop a critical understanding of the complex and intersecting historical struggles and movements for social transformation, resistance, and liberation in the U.S. and beyond.

78 ETHN - FILM

Film Program students, did you know?

Digital Design Production and Theatre Arts offer Film Program students required courses for advanced Film Production study. In DDP-120 Video Post Production, film students build on the film editing skills learned in RTV-010A/FILM-002A Film Production I, and RTV-011A/FILM-002B Film Production II, using Adobe Premiere to explore the synthesis of video, audio, graphics, photography and animation to complete the film storytelling process by composing compellingly edited movie stories. TA-010 Introduction to Design & Production introduces Film students to the theory and practice of production design, providing them with the tools and processes needed to create a film's visual style to express the story's mood, tone and meaning. DDP-120 and TA-010 satisfy requirements of the new Associates Degree in Film Production.

Introduction to Film FILM-001

See some of the best movies ever made, and discuss the art and craft of filmmaking. Learn new ways to appreciate and enjoy one of the world's most popular forms of artistic entertainment.

FILM-001 will be taught in person, and asynchronously online in 16 week, 12 week and 8 week sessions.

COD's Film Program offers certificates and degrees designed to prepare you to work in film and video production or use your skills in other industries. Courses include Screenwriting, Film Production I, II and III, Cinematography, and Acting for the Camera.

[Certificate of Achievement of Basic Film Production and the new Associates Degree in Film Production](#)

Film Program students may choose elective courses from Music, Digital Design Production, Mass Communications, Journalism, Art and Business that allow them to apply their Film Production skills in areas such as marketing and small business (BUMA 027 and 028), video journalism (J 003A), mass media (MC 001) and art (ART 031), and to study more specialized areas of Film Production, including sound editing/mixing (MUS 078A) and video effects (DDP 121). These classes and others satisfy elective requirements of these new programs.

FILM-010
Film Directing
 Students will learn how to direct and lead the film-making process. They will also learn how to effectively work with directors to teach them how to support and enrich a director's vision.

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

GEOG-GEOL 83

G 010 : The Earth Sciences and G 001: Physical Geology

The Earth Sciences (G-010) is intended for students with a strong science background. This rigorous, fast-paced course is a survey of astronomy, meteorology, climatology, oceanography, and geology.

Physical Geology (G-001) serves as an introduction to the field for majors and those looking to fulfill their general education requirement. Subject matter for this course includes Earth materials and processes such as minerals, rocks, plate tectonics, earthquakes, and volcanoes.

The lecture and lab for both courses are designed to fulfill the natural science elective and have been accepted for transfer to the UC and CSU systems in addition to meeting the requirements of IGETC.

Due to the demanding course load of The Earth Sciences (G-010), the Physical Geology (G-001) may be a better option unless G-010 is required for certificate or degree completion.

Geology classes have moved to the Liberal Arts Building

Due to construction and a complete remodel of the Science building, Geology classes on the Palm Desert campus will be held in the Liberal Arts building, room 9B.

Global Studies GS-011 Global Issues

GS-011 is one of two core courses for the new Interdisciplinary Global Studies AA-T degree! It also fulfills GE requirements for CSU & UC.

Approach the study of transnational issues, such as economic development, human rights and environmental problems.

3:30p.m. - 6:35 p.m. Thursday
Offered synchronous over ZOOM.

Golf Management

Interested in joining the eighty-four-billion-dollar golf industry? Take classes in the Golf Management Program at COD, where you can build the skills and knowledge necessary to become a golf professional running the day to day golf operation at one of the Coachella Valley golf courses.

Learn how to teach golf and give lessons that will improve the golf games of your own students, and work on the fundamentals of your golf swing. Find your niche in a wonderful career where your work will feel like play and receive hands on training from PGA Certified Professionals.

Golf management is the study of all aspects pertaining to the operation and the responsibilities of the golf professional in managing a public or private golf facility. Career paths chosen by students pursuing Associate of Arts Degree in Golf Management commonly include assistant golf professionals, head golf professionals, teaching professionals, as well as merchandising and membership sales at public and private facilities. Learn the foundations that will help you on your journey to becoming a PGA Professional.

General Nutrition

HS-013

General Nutrition is a study of the chemical composition of foods and how the body utilizes those foods. How does good nutrition and diet relate to physical and mental health? These are just some of the topics covered. Students learn valuable consumer information, including how to read food labels and use the USDA Food Guide. Students will explore personal lifestyle habits and evaluate how closely they meet the newest Dietary Guidelines for Americans.

General Nutrition is a class you can't live healthy without taking.

Offered in person in Palm Desert and asynchronously online.

CRIMINAL BACKGROUND CHECK REQUIREMENT

College of the Desert Health Sciences courses with patient care contact in a JCAHO accredited facility require criminal background checks of enrolled students. This is a national standard for health care facilities designed to protect the health and safety of its patient population. The student shall be responsible for paying a criminal background check fee of up to \$60.00 at registration. A Social Security number is required.

Move to Smoke Free Campuses

College of the Desert and all of its campuses are now smoke and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thoughtfulness, consideration and cooperation as we work together to successfully implement this new policy.

News Writing and Reporting J-003A

In an era where the digital news media is generating an enormous amount of information, misinformation, and even disinformation, consumers need to decipher fact from fiction. Students will learn the basics of journalism, how to write and report on various platforms and sharpen their news literacy skills by learning to critically consume information.

Chaparral Newspaper J-004A, B & C

The award-winning The Chaparral Newspaper has been a student voice at College of the Desert since 1962. Students enrolled in J-004A, J-004B or J-004C create and publish breaking news and human-interest stories for print and online publications. Staff also contribute to daily news updates on COD Roadrunner Radio and The Chaparral YouTube channel. Students cover a variety of campus and local events, including politics, student life, sports, arts and entertainment and more. The Chaparral is looking for writers, reporters, copy editors, photographers, videographers, layout designers, advertising managers, social media coordinators and others who have media skills to offer. To join the team, enroll in J-004A, B or C. To learn more visit www.thechaparral.net and/or contact Assistant Professor of Media Production Laurilie Jackson at ljackson@collegeofthedesert.edu

Canvas

College of the Desert's online program utilizes the Canvas learning management system software. Online classes are offered over the Internet in a variety of discipline areas, as indicated under the specific course listings in the Schedule of Classes provided each semester. Online courses are as transferable as regularly scheduled classes, have the same prerequisites as traditional face-to-face courses, and uphold identical standards of academic quality.

Online courses generally follow the traditional sixteen week semester, but the coursework is completed asynchronously via email, electronic bulletin boards, and chatrooms. Individual classes may have additional prerequisites as specified in their online syllabi.

**MyMathLab,
Math XL
Enhanced Web
Assign**

provide a rich and flexible set of course materials in mathematics and statistics. Students can use online tools, such as video lectures, animations, and a multi-media textbook to independently improve their understanding and performance.

When purchasing materials, students should check in the bookstore to determine if any of the above systems are required for their class(es).

NURS 109

PATIENT HEALTH CARE

Students enrolled in the School of Health Sciences, who are in a clinical program, are subject to special guidelines developed to protect patient safety. A Social Security number is required for clinical placement. A student may be asked to withdraw from the CNA or Nursing program for academic reasons or for other reasons such as drug/alcohol abuse, inappropriate social or emotional behavior, or documented acts of dishonesty. The faculty reserves the right to remove from the clinical area any student who, in the faculty member's professional judgment, places the patient in physical or emotional jeopardy.

MALPRACTICE INSURANCE REQUIREMENT

College policy requires each student enrolled in the health occupation programs, which require patient contact for the development of specific skills, to purchase insurance coverage against liability for malpractice.

Tutoring and Academic Skills Center (TASC)

The Tutoring and Academic Skills Center Center is here to help you succeed in your classes this spring! TASC provides academic support, independent study spaces, tutoring, and academic skills workshops for all actively enrolled COD students.

Looking for a tutor? Free, drop-in peer tutoring is available, with no appointment needed! Supported subjects include biology, chemistry, math, nursing, physics, statistics, writing, and many more. Visit our Language Lab to find resources for American Sign Language (ASL), English as a Second Language (ESL/ESLN), Spanish, and Japanese.

College of the Desert students also have FREE access to online tutoring services with NetTutor. NetTutor offers online and after-hours access to tutor support in a wide range of subjects. Students can live chat with a tutor, submit subject questions, or drop off a paper for review.

To learn more about TASC tutoring options, including subjects, schedules, hours and locations, please visit the TASC Canvas course or our website:

www.collegeofthedesert.edu/asc

Or, call us at (760) 776-7241.

Physics Program

PH 001 "Introductory Physics" is designed for Liberal Studies transfer majors (K-5 teachers), and also to satisfy the General Education requirement in the Physical Sciences area. The math prerequisite is MATH-054. PH 001 is offered every semester.

PH-003A, PH-003B, PH-003C "Engineering Physics" is a three semester calculus-based physics sequence for scientists and engineers, including those entering the computer fields. The Math prerequisite for PH 003A is MATH 001A, and for PH-003B the Math prerequisite is MATH-001B.

It is important that students attend the first class meeting of each course in which they are enrolled, whether or not it is designated as a lecture or a lab. Faculty may drop students who do not appear in the first lecture or lab section.

Watch for the new Common Course Numbering in Fall 2025

California Community Colleges, including College of the Desert, are adopting a system that assigns the same course number to comparable courses across all California Community Colleges to streamline transfer for students.

Starting Fall 2025, several Common Course Numbering (CCN) courses will be offered for general education. These courses will have a new course code, number and subject:

- COMM 001 will become **COMM C1000**
- ENG 001A will become **ENGL C1000**
- ENG 001X will become **ENGL C1000E**
- ENG 003 will become **ENGL C1001**
- PS 001 will become **POLS C1000**
- PSY 001 will become **PSYC 1000**

COD Roadrunner Radio

The national award-winning COD Roadrunner Radio provides students with opportunities to dream up new and innovative ideas for radio programs and podcasts while gaining hands-on broadcasting and producing experience.

The station plays a variety of music and discovers new artists for your college radio soundtrack. Students participate in broadcasting, radio production, podcasting, events, management, news, sports, programming, social media, deejaying, and more using the latest in digital audio technology. Join the team by enrolling in the RTV-007 Radio Production classes, RTV-005 Broadcast Writing and/or RTV-002 Broadcast Announcing.

COD Roadrunner Radio is streaming 24/7. You can listen at codroadrunner-radio.com or on the TuneIn App.

COD Roadrunner Radio also offers internships through the Work Experience academic program at College of the Desert. If you are looking for a career in media, you can develop your skills working at the station while earning college credit.

SPAN - THE 119

What Spanish Courses to Take

The following information will help you select the Spanish course you need to take according to your proficiency level.

Spanish as a Foreign Language Track

A student can take Spanish as a Foreign Language if he/she is a native speaker of English or another foreign language. If a student has never taken Spanish, he/she must be enrolled in SPAN 001-Elementary Spanish I (5 units). If a student has taken 1, 2, or more years of Spanish in high school or another institution, he/she may take the Spanish placement exam to determine his/her proficiency level. He/she may be placed in SPAN 002-Elementary Spanish II (5 units),

Spanish for Heritage Speakers Track

A student can be considered as a heritage speaker of Spanish if Spanish and English are spoken at home and/or Spanish is spoken very often. If a student can ask and answer questions orally in Spanish but he/she does not know how to read and write in Spanish, he/she must be enrolled in SPAN 021-Spanish for Heritage Speakers I (5 units). If a student can ask and answer questions orally in Spanish and have basic knowledge of how to read and write in Spanish, he/she must be enrolled in SPAN 022-Spanish for Heritage Speakers II (5 units).

Spanish Placement Test

Prerequisites can be waived either by taking the Spanish Placement Test with a Spanish faculty or by meeting with a counselor and receive the approval. Students can self-enroll in the Spanish Placement Test on CANVAS on January 27, 5:00 pm- 7:00 pm, January 29, 10:00 am- 12:00 pm, February 3, 5:00 pm- 7:00 pm, March 19, 10:00 am- 12:00 pm, April 7, 5:00 pm- 7:00 pm, May 5, 5:00 pm- 7:00 pm, May 21, 10:00 am- 12:00 pm, June 9, 5:00 pm- 7:00 pm, June 11, 10:00 am- 12:00 pm. PATIENT HEALTH CARE

Students enrolled in the School of Health Sciences, who are in a clinical program, are subject to special guidelines developed to protect patient safety. A Social Security number is required for clinical placement. A student may be asked to withdraw from the CNA or Nursing program for academic reasons or for other reasons such as drug/alcohol abuse, inappropriate social or emotional behavior, or documented acts of dishonesty. The faculty reserves the right to remove from the clinical area any student who, in the faculty member's professional judgment, places the patient in physical or emotional jeopardy.

MALPRACTICE INSURANCE REQUIREMENT

College policy requires each student enrolled in the health occupation programs, which require patient contact for the development of specific skills, to purchase insurance coverage against liability for malpractice.

Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at (760) 773-2521.

Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

Adult Basic Education (ABE) and English as a Second Language (ESLN) Registration

Registration for returning ABE or ESLN students will begin: 12/9/2024

Registration for new ABE or ESLN students will begin: 1/6/2025

Please visit the College of the Desert Admissions webpage and click on the ESLN and ABE Registration link for details.

Evening Classes appear in BOLD print throughout this schedule

English As A Second Language Non-Credit (ESLN)

The English as a Second Language Non Credit Program offers six levels of instruction from literacy (little or no English skills) to High Advanced (pre-college English skills). Students have from 8 to 12 hours of instructional class time per week with additional hours in the Language Laboratory.

A student's level in the ESLN program is determined by both an ESL placement test and an assessment of previous academic background. Registration is on an open entry, space available basis. Please call 776-7348 for more information.

College of the Desert ofrece seis niveles de cursos de inglés como segundo idioma sin crédito. Su conocimiento de inglés en el examen de colocación y su nivel de estudios determinarán el nivel en que se le coloque.

Después de completar el programa de inglés como segundo idioma, usted tendrá la habilidad necesaria para seguir varias carreras o para seguir sus estudios. Para más información, llamar al 776-7348.

**Students holding F-1 or Visitor Visas are encouraged to contact the International Education office at (760) 776-7205.

COD Is A Smoke Free Campus

College of the Desert and all of its campuses are now smoke and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thoughtfulness, consideration and cooperation as we work together to successfully implement this new policy.
